April 9th
6:30 to 8:00 PM**

Middle school can be one of the most influential and impressionable times in a student's life.

Cascade Christian Middle School is proud to offer a Christ-centered education in a warm, caring and safe environment where students can focus on being their best!

Our highly qualified teaching staff's prime objective is to prepare each student with the tools necessary to succeed academically, spiritually and socially as they confidently transition to high school.

Along with our core subjects, students enjoy a variety of experience classes: Computers, STEM, Between the Pages, Spanish, Choir, Art, Band (Beginning and Advanced), Cultural Geography, National Parks, Worship Team, Hands and Feet, Leadership, Culinary Arts, Yearbook, Whittling (students make chess pieces to sell at our annual auction), Academic Tutorial, Chess, and Current Events.

We look forward to meeting you and showing you how your student will find a place where they BELONG!
